REQUEST UNDER 37 CFR 3.81(b)

Mail Stop PETITIONS
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is in response to the "On Petition" (attached) communication regarding the Request Under 37 CFR 3.81(b) filed February 10, 2011. The Request was denied since the request was not accompanied by a Certificate of Correction setting forth the change to the assignee data. Accordingly Applicant is submitting a request under 37 CFR 3.81(b) with a Certificate of Correction setting forth the change to the assignee data.

Attorney Docket No. 15IS5298 (12528US01)

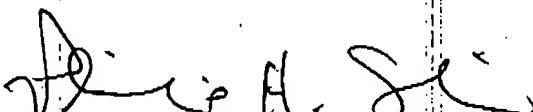

Please amend the above issued patent to correctly state the name of the Assignee. At the face of the patent, after Assignee: please delete "GE Medical Systems Global Technology Company, L.L.C., Waukesha, WI (US)" and insert -- General Electric Company, Schenectady, NY (US)–.

The Form PTO 1595 previously submitted on December 27, 1999 for recordation, included the correct assignee name, and was submitted prior to issuance of the subject patent. However, Applicant inadvertently failed to show the correct assignee name on the PTOL-85B submitted on December 6, 2005. Therefore, Applicant hereby encloses a copy of the Notice of Recordation of Assignment Document, reflecting the reel and frame numbers where the Assignment is recorded and proof of the date when the Assignment was submitted for recordation.

It appears that all informalities have been met in compliance with 37 CFR 1.323. Therefore, Applicant respectfully requests that this file be forwarded to the Certificates of Correction Branch, for issuance of a Certificate of Correction.

It appears no fees are due; however, please charge any fees due in connection with this submission to Deposit Account No. 13-0017, in the name of McAndrews, Held & Malloy, Ltd.

Respectfully submitted,

Philip Henry Sheridan

Privacy Act Statement

The Privacy Act of 1974 (P.L. 93-579) requires that you be given certain information in connection with your submission of the attached form related to a patent application or patent. Accordingly, pursuant to the requirements of the Act, please be advised that: (1) the general authority for the collection of this information is 35 U.S.C. 2(b)(2); (2) furnishing of the information solicited is voluntary; and (3) the principal purpose for which the information is used by the U.S. Patent and Trademark Office is to process and/or examine your submission related to a patent application or patent. If you do not furnish the requested information, the U.S. Patent and Trademark Office may not be able to process and/or examine your submission, which may result in termination of proceedings or abandonment of the application or expiration of the patent.

The information provided by you in this form will be subject to the following routine uses:

1. The information on this form will be treated confidentially to the extent allowed under the Freedom of Information Act (5 U.S.C. 552) and the Privacy Act (5 U.S.C. 552a). Records from this system of records may be disclosed to the Department of Justice to determine whether disclosure of these records is required by the Freedom of Information Act.
2. A record from this system of records may be disclosed, as a routine use, in the course of presenting evidence to a court, magistrate, or administrative tribunal, including disclosures to opposing counsel in the course of settlement negotiations.
3. A record in this system of records may be disclosed, as a routine use, to a Member of Congress submitting a request involving an individual, to whom the record pertains, when the individual has requested assistance from the Member with respect to the subject matter of the record.
4. A record in this system of records may be disclosed, as a routine use, to a contractor of the Agency having need for the information in order to perform a contract. Recipients of information shall be required to comply with the requirements of the Privacy Act of 1974, as amended, pursuant to 5 U.S.C. 552a(m).
5. A record related to an International Application filed under the Patent Cooperation Treaty in this system of records may be disclosed, as a routine use, to the International Bureau of the World Intellectual Property Organization, pursuant to the Patent Cooperation Treaty.
6. A record in this system of records may be disclosed, as a routine use, to another federal agency for purposes of National Security review (35 U.S.C. 181) and for review pursuant to the Atomic Energy Act (42 U.S.C. 218(c)).
7. A record from this system of records may be disclosed, as a routine use, to the Administrator, General Services, or his/her designee, during an inspection of records conducted by GSA as part of that agency's responsibility to recommend improvements in records management practices and programs, under authority of 44 U.S.C. 2904 and 2906. Such disclosure shall be made in accordance with the GSA regulations governing inspection of records for this purpose, and any other relevant (i.e., GSA or Commerce) directive. Such disclosure shall not be used to make determinations about individuals.
8. A record from this system of records may be disclosed, as a routine use, to the public after either publication of the application pursuant to 35 U.S.C. 122(b) or issuance of a patent pursuant to 35 U.S.C. 151. Further, a record may be disclosed, subject to the limitations of 37 CFR 1.14, as a routine use, to the public if the record was filed in an application which became abandoned or in which the proceedings were terminated and which application is referenced by either a published application, an application open to public inspection or an issued patent.
9. A record from this system of records may be disclosed, as a routine use, to a Federal, State, or local law enforcement agency, if the USPTO becomes aware of a violation or potential violation of law or regulation.

OFFICE OF PETITIONS

ON PETITION

This is a decision on the petition filed February 10, 2011, which is being treated as a request under 37 CFR 3.81(b)¹ to correct the assignee data on the front page of the above-identified patent by way of a Certificate of Correction.

The request is dismissed.

The instant petition after payment of the issue fee. It would have been inappropriate to make any changes to the record after payment of the issue fee. Thus, petitioner is only able to obtain correction to the assignee data by a request under 37 CFR 3.81(b). This request must be accompanied by a Certificate of Correction indicating the requested change to the assignee data. The petition filed February 10, 2011, was not accompanied by a Certificate of Correction setting forth the change to the assignee data requested and must be dismissed, accordingly.

The renewed petition must be accompanied by a Certificate of Correction setting forth the requested change to the assignee data.

The renewed request may directed to the following:
